

ESF AFTER SCHOOL PROGRAMMES

INSPIRING, FULFILLING AND FUN

SPANISH CLASSES FOR PRIMARY STUDENTS

Spanish is the **third most spoken language in the world** and the interest to learn this lively and quick language is rising rapidly.

Give your child an advantage by introducing them to a new language. We offer **fun and interactive** Spanish programmes for children aged 3-12.

WRITING CLASSES

Help your child **express themselves clearly and persuasively**. Our courses develop children's **narrative skills** as they learn to write **effective, well-structured** pieces about their experiences and the world around them, **hooking in the reader** while using different writing styles and genres, from newspaper reports, journals, blogs and emails.
