Spring will be here before we know it! Instead of bundling up inside, join an ESF Sports Spring Camp for one or two active weeks of Multi Sports camp or a specialist sports clinics. The Multi Sports Camp has become a favorite amongst our parents because it enables children to enjoy a range of sporting activities, whereas, our specialist clinics are a great way for children to further develop their swimming, football, tennis or gymnastic skills during the holiday.

Popular classes fill up very quickly, so enrol before they are full! For more information regarding ESF Sports Spring Camps, please visit www.esf.org.hk/camps and follow our Facebook www.facebook.com/ESFSports for our latest updates.
