"Success for Every Child"

A round-trip bus will be arranged by school. If you wish to accompany your child for the dental treatment, you are welcome to meet your child at the dental clinic:

J.C. School Dental Clinic
3/F, 147J Argyle Street.

Children are required to bring a toothbrush to school on the day of the visit and the School Dental Care Service handbook (except for Y1 students and those students who have just joined the scheme). Y6 students should visit the dental clinic with their parents according to the appointment date shown on the slip previously distributed. Furthermore, if your child's medical history has changed since you submitted their application; you should contact the clinic staff on 27605247 prior to the dental appointment.

Yours sincerely,

A handwritten signature in black ink that reads 'Karen Thomas'.
