

Kit List Y4 Camp 2017

****Everything** needs to be clearly marked with your name. Please help children to pack their own bags.

Suggested Kit List

Holdall or rucksack to hold clothes for the three days.

A day backpack

Packed lunch and healthy snack for day 1

3 changes of clothing (shorts for during the days – not jeans)

Perhaps jeans or long trousers for evening (optional)

4 changes of underwear

4 pairs of socks

pyjamas /nightdress

trainers

wet shoes*

lightweight waterproof jacket

1 swimming costume

beach towel

light sweater (optional)

pen and pencils

wash bag

soap and face cloth

toothbrush and paste

brush/comb

sun cream/lotion

insect repellent

towel for use after showering (not a hand towel)

tissues

school sunhat/cap

plastic water container – at least 1 litre

Reading book from home (NOT library book)

OPTIONAL - Inexpensive camera

* Wet shoes must be closed-toed and fastenable ie lace ups or velcro fasten. Crocs and sandals are not suitable as they come off in the water and do not protect toenails adequately. If in doubt about this, please ask.

Please use your discretion about expensive items. Children will need to take responsibility for everything they bring.

Prescription medicines must be labelled with name, class and dosage and must be accompanied by the doctors prescription. KJS teachers are not authorised to give any medicine to children which does not come with a prescription from a doctor. Please don't ask us to make exceptions to this rule.

Children **MUST NOT** bring mobile phones or electronic devices to camp.

(Occasionally children will try to bring their phone in secret. This has caused the teachers more trouble than anything else on camp)
