Success for Every Child

Date: 23 Sep 2024

Dear Parents,

**2024/2025 Seasonal Influenza Vaccination (SIV) School Outreach (Free of Charge) Program for Year 1-6 students**

Information and form concerning the Free 2024/2025 Seasonal Influenza Vaccination School Outreach Program issued by the Department of Health will be sent home with your child today. **Please read it carefully.** The Quadrivalent Inactivated Seasonal Influenza Vaccine will be provided by injection to the consented students.

A vaccination team from the assigned clinic appointed by the Department of Health will visit KJS to administer the vaccination to consented students on **Thursday 14th November 2024**. For consented students under 9 years old who have never received any SIV before, the team will visit again and provide a second dose on **Thursday 12th December 2024**.

**Please read the form very carefully and complete the Consent OR Refusal Part and signing as appropriate.** If you **do not consent**, you will need to complete the Refusal Form and return the form to us.

As influenza vaccine contains ovalbumin (an egg protein), students with egg allergy should have the vaccine by healthcare professionals in appropriate medical facilities.

The last date for acceptance of the forms is **Monday 30th September 2024**.
