Success for Every Child

Date: 22 Oct 2024

Dear Parents,

Year 1 students have had the DTaP-IPV Immunisation today. We are so happy to see they were so brave. Advice to Parents is given to those students who received the vaccination. You can find it inside the immunisation record.

As the immunisation record is an important document, our teachers will return it via the communication bag. Please kindly check your child's communication bag for it tonight.

For parents who consented but whose child is absent today, the CHP School Immunisation Team has issued a referral letter for appointment arrangements to have the vaccination in their Centers later. The letter will be given to you with the immunisation record when your child returns to school.

Feel free to contact me for any questions.

Best regards,

Carmen Chan
