Success for Every Child

Date: 21 Nov 2024

Dear parents and caregivers

We are looking forward to the Three-way conferences this evening and tomorrow, which are a wonderful opportunity for learning conversations involving students, parents and teachers.

It is vital that the students are able to take an equal and active role in these conversations, taking responsibility for their own learning, reflecting on their progress and setting goals for themselves. Direct involvement of students in these conversations boosts motivation and helps children to be more engaged in their learning.

However, we are aware that some children are currently unable to attend school due to illness and may not be well enough to attend their Three Way Conference.

If this is the case, **we ask that parents do not attend the conference without their children.**

Please inform your child's class teacher if your child is unable to attend the conference due to illness and we will make arrangements for an alternative date once your child is well enough to return to school.

Kind regards

KJS Leadership Team
