Success for Every Child

Date: 21 Nov 2024

The excitement is building in Year 6 as the children are being active participants in choosing their tent, dorm and team mates for the camp. I'm sure that you are seeing similar excitement at home.

We continue to monitor the weather and hope for an upturn from the rain of the last few days. Safety and quality of experience will be the main concerns in any decisions that we make regarding the viability of the camp. This includes exercising the provision that we have of all children sleeping indoors if the weather turns inclement at the last moment.

To help with preparations we are resharing the link to the APA Zoom presentation that was held in October.

Please also see the previously shared kit list for your convenience. Please go through this with your children so that they know what they have got when they arrive at camp. This includes their nightwear, towels and toiletries.

We will depart school as close to **8:45 on Tuesday 3rd** and will return to KJS at **2:30 on Friday 6th**. Your child will be back in time to get their school bus although we also understand that you might want to come and meet them.

If you have any questions regarding any of the above please get in touch with your child's class teacher or Mr Fay. We have been able to answer and support those parents who have been directly in touch with us requiring a range of clarifications.

Thanks for your support in helping to make the Year 6 camp a success for your children. Please continue that positive support as the camp gets nearer.

Kind regards,

The Year 6 Team
