Success for Every Child

Date: 12 Dec 2024

Dear Year 4, 5 and 6 parents,

In October, your child took part in the International School's Assessment (ISA) suite of assessments. These tests assess Mathematical Literacy, Reading, Narrative Writing and Exposition Writing. The results are now ready to share with you and will be published on Gateway today, Thursday 12th December.

As with any standalone assessment the ISA is a snapshot of your child's learning that helps our teachers triangulate the data they gather from their ongoing assessments of your child. We know that this form of summative assessment does not suit all learners so they form part of the data picture for you alongside the school reports and the information you receive at parent's evenings.

Please do take some time to read the information at the top of the ISA results. This will help to explain how to read the data. If you do have any questions or clarifications regarding the ISA results please reach out to your child's teacher who will already be using the assessments as part of their knowledge base to move your child's learning forward.

Kind regards,

The Senior Leadership Team
